Supplier	Flooring2
Product Type	Broadloom Carpet
Number	BR11
Name	Brighton II

Warranties	
Stain Resistance Limited Warranty	Lifetime
Manufacturer Defects Limited Warranty	10 Year
Abrasive Wear Limited Warranty	10 Year
Soil Resistance Limited Warranty	10 Year

Stain Resistance Limited Warranty

Flooring^2 warrants that your carpet made will remain stain resistant to most household food and beverage substances, including coffee, mustard, household bleach cleaners, benzoyl peroxide and other water soluble, non-wax and non-oil-based stains for the life of the carpet. This warranty begins the date of installation and remains as long as owned by the original purchaser. **See Care & Maintenance Guide regarding professional cleaning.

Manufacturer Defects Limited Warranty

Flooring^2 warrants that your carpet is covered for the warranty period from manufacturing defects that occur when used in owner residences. By manufacturing, we mean any defect in material or workmanship. The warranty begins the on date of installation and will remain in effect for the stated period of the warranty. This warranty only applies to the original purchaser.

Abrasive Wear Limited Warranty

Flooring^2 warrants that your carpet will not abrasively wear away by more than 10% in any area of the carpet for the warranty period. Abrasive wear is defined as countable loss of pile fiber, 10% or greater, resulting from normal foot traffic and is determined by pile weight comparison of the worn area to non-traffic areas, or testing using mechanical wear simulators. Abrasive wear means fiber loss, not changes in appearances, such as crushing or matting. The warranty begins the on date of installation and will remain in effect for the stated period of the warranty. This warranty only applies to the original purchaser. ** See Care & Maintenance Guide regarding professional cleaning.

Soil Resistance Limited Warranty

Flooring^2 warrants that your carpet will resist soiling from most common household soil for the warranty period. By properly maintaining your carpet, soil will clean up more thoroughly and fewer residues will remain on the carpet. Soil resistance means that your carpet will resist retention of the common dry dirt normally associated with carpet soiling. Light colored carpets will show soiling more than darker colors over time and will require more frequent cleaning to maintain its appearance. The warranty begins the on date of installation and will remain in effect for the stated period of the warranty. This warranty only applies to the original purchaser. ** See Care & Maintenance Guide regarding professional cleaning.
