Abrasive Wear Limited Warranty	10 Year
Manufacturer Defects Limited Warranty	10 Year
Soil Resistance Limited Warranty	10 Year

Fade Resistance Limited Warranty

Flooring² warrants that your carpet will not display a significant color change due to exposure to light or exposure to atmospheric contaminants (ozone and oxides of nitrogen). Significant color change is defined as a rating of 3 or less when measured on the American Association of Textile Color and Chemists (AATCC) scale of color change and testing for color change under the appropriate test methods as recommended by the AATCC (1 and 2). The AATCC gray scale is a nationally recognized color system in the carpet industry that uses standardized comparisons to determine a degree of color change. Light fastness exposure is tested in accordance with AATCC test method 16-1993 with 80 hours of light fastness exposure. Ozone Oxides of Nitrogen fade testing is tested for 5 cycles in accordance with AATCC test methods 129-1990 and 164-1992, respectively. The warranty begins the on date of installation and will remain in effect for the stated period of the warranty. This warranty only applies to the original purchaser.

Stain Resistance Limited Warranty

Flooring² warrants that your carpet made will remain stain resistant to most household food and beverage substances, including coffee, mustard, household bleach cleaners, benzoyl peroxide and other water soluble, non-wax and non-oil-based stains for the life of the carpet. This warranty begins the date of installation and remains as long as owned by the original purchaser. **See Care & Maintenance Guide regarding professional cleaning.

Abrasive Wear Limited Warranty

Flooring² warrants that your carpet will not abrasively wear away by more than 10% in any area of the carpet for the warranty period. Abrasive wear is defined as countable loss of pile fiber, 10% or greater, resulting from normal foot traffic and is determined by pile weight comparison of the worn area to non-traffic areas, or testing using mechanical wear simulators. Abrasive wear means fiber loss, not changes in appearances, such as crushing or matting. The warranty begins the on date of installation and will remain in effect for the stated period of the warranty. This warranty only applies to the original purchaser. ** See Care & Maintenance Guide regarding professional cleaning.

Manufacturer Defects Limited Warranty

Flooring² warrants that your carpet is covered for the warranty period from manufacturing defects that occur when used in owner residences. By manufacturing, we mean any defect in material or workmanship. The warranty begins the on date of installation and will remain in effect for the stated period of the warranty. This warranty only applies to the original purchaser.

Soil Resistance Limited Warranty

Flooring² warrants that your carpet will resist soiling from most common household soil for the warranty period. By properly maintaining your carpet, soil will clean up more thoroughly and fewer residues will remain on the carpet. Soil resistance means that your carpet will resist retention of the common dry dirt normally associated with carpet soiling. Light colored carpets will show soiling more than darker colors over time and will require more frequent cleaning to maintain its appearance. The warranty begins the on date of installation and will remain in effect for the stated period of the warranty. This warranty only applies to the original purchaser. ** See Care & Maintenance Guide regarding professional cleaning.
